## ACTON-BOXBOROUGH REGIONAL SCHOOL DISTRICT FY'18 SUPERINTENDENT'S BUDGET MESSAGE

Dear Acton and Boxborough Community Members,

It is my pleasure to provide the citizens of Acton and Boxborough with this proposed operating budget request for the 2017-18 school year. The proposed budget for the Acton-Boxborough Regional School District is \$86,090,491, reflecting an increase of 3.63% over the current fiscal year.

Of this total increase, 2.8% represents the overall operating increase, 0.6% represents increasing capital investments and 0.23% represents the increased allocation to support the shift of the assessment cost for the Minuteman program at the RJ Grey Junior High School from the two towns to the region.

This budget proposal strives to accomplish a number of things:

- Preserve our commitment to maintaining existing services while at the same time aligning any additional requests with our stated goals and values.
- Make appropriate adjustments in reduction and/or realignment of existing resources responsive to the changing conditions in the district.
- Maintain reasonable class sizes across our entire system, allowing us to adhere to class size guidelines based upon our current enrollment projections.
- Preserve our current programs and services delivered by almost 1,100 full- and part-time staff and, where appropriate, expand programming to meet the needs of our students.

There are significant factors impacting a regional school district that are different from the needs of a school system in a single town setting. Such distinctions include items such as employee fringe benefits (i.e. health insurance), retirement planning (i.e. OPEB and Middlesex County Retirement), and capital planning. These budget drivers are factors that largely account for the increases included within the FY'18 budget proposal.

Specific highlights of the FY'18 budget proposal include the following:

- i) **Contractual Salary Increases** salaries account for 62.73% of our overall operating expenses and reflect a total increase of 3.44% from the current year
- ii) **Workers Compensation** an overall increase of \$305,000, a 103.4% increase.
- iii) Middlesex County Retirement a total increase of \$232,688, an 11.2% increase.
- iv) Capital Outlay a total increase of 97.5% from \$527,059 in FY'17 to \$1,041,198 in FY'18. Key projects in this line include the replacement of the turf at Leary Field (\$450,000), the replacement of boilers and pumps at Blanchard Elementary School (\$189,750), and repairing an exterior heaving issue at the Conant School (\$75,000).

The development of this budget is a long and extensive process and has relied upon considerable input and support along the way. I want to extend my sincere thanks to our Director of Finance, Ms. Clare Jeannotte, the entire Finance Department, our School Leadership Team, the Budget Subcommittee, and the entire ABRSD School Committee for their contributions throughout this entire process that began last September.

On behalf of the School Committee, I want to thank the members of these fine communities that we serve for their continued support of our public school system.

It is an honor and a privilege to serve as the superintendent in this outstanding educational community and I welcome your comments or questions regarding the FY'18 budget proposal.

Yours in education,

Glenn A. Brand, Ed.D. Superintendent of Schools
